

Petition to Place Additional Trash Carts for Collection

Under regulations of the Department of Public Works, residential and commercial customers of municipal curbside trash services are allowed to place up to the following number of carts for collection:

Property Type	Maximum # of Carts Collected
Single-family residential	2
Two-family residential	4
Three-family residential	6
Residential of four units or more	8
Residential planned development*	2 per unit, with a maximum of 8 per development
Manufactured home park	2 per unit, with a maximum of 8 per park
Commercial	2 per business, with a maximum of 8 per property
Mixed-use (residential + commercial)	2 per unit of any type, with a maximum of 8 per property
Non-profit organization	up to 8 per property

*includes condominium complexes

Residents, business owners, landlords and non-profit organizations may petition the Department of Public Works for permission to place more carts for collection than the above limits by filling out and submitting this form, in person or by mail, to:

City of Manchester, Department of Public Works
ATTN: Environmental Programs Manager
475 Valley Street
Manchester, NH 03103

Petitions will be evaluated using the following criteria:

- Demonstrated need for additional carts based on the number of people generating trash at the subject property
- Availability of property frontage for placement of additional carts such that – in the opinion of the Public Works Director or his/her designee – street parking, traffic flow, and pedestrian safety are not unduly affected
